Vision and Values

Our goal is to provide exceptional patient care by providing maximum comfort, and quality reports through our highly skilled radiologists and staff. We ensure patients will leave feeling pleased and at ease.

Open MRI of Canada is committed to clinical and research needs. We strive to be compassionate, dedicated, and efficient.

Our Company

Open MRI of Canada is a division of May, Yemen & Kaura Professional Corporation, which operates as MYK Diagnostic Imaging. MYK is a multifaceted and dynamic company with over 25 years experience in Calgary and Southern Alberta, performing over 125,000 examinations per year.

We offer both adult and pediatric specialty imaging services, including: Open MRI, x-ray, ultrasound, mammography, fluoroscopy, and bone densitometry.

Our Clinic

Our clinics utilize state of the art technology, providing patients and physicians an accurate diagnosis. We operate in a completely digital environment, which allows for quick and precise reporting, often within the day. Our spacious and serene atmosphere, along with our friendly and accommodative staff provide patients with a pleasant and calm feeling.

We are conveniently located in Marlborough Mall:
